Our Courses

The most frequently chosen TESOL/TEFL certificate course is offered as a 4 to 5-week, intensive course in an on-site classroom setting. This is great for those students who want to travel to our beautiful Poland and see Wejherowo up close and personal. We also offer different courses to suite each individual's needs.

Wejherowo, Poland

Do you think Poland is devoid of a rich cultural heritage and aesthetic beauty, due to past wars and the grim Soviet era? Well, think again! Come experience the beautiful hilly country and proximity to the majestic Baltic coast, as well as the conveniences of modern western life in the northern Polish town of Wejherowo, in easy reach of the major port city of Gdansk and the elite resort town of Sopot. You can gaze at majestic snow-covered mountains one day and bask on sunny Baltic beaches the next. You can sleep in a classic, historic palace and dance the night away in a lively night-club. Whatever it is you desire, you will be more than satisfied with our center in Wejherowo!
